Dear Mr Jardine

Many thanks for all your help at the BabySafe Roadshow.

I hope you like the participants found the evening enjoyable and perhaps learnt something new yourself. The feedback from attendees has been very positive and already we know of people using the training to save lives.

I enclose a copy of the Training Team photo taken at the Venue during the evening – I'm sorry it couldn't make the front cover of Vogue magazine.

Without trainers like yourself these events would not be such a success. May I take this opportunity to wish you continued success with all your lifesaving ventures for the future.

Yours sincerely,

Jane Cooper
Director of Technical Services and Communications
